The image shows two screenshots of the ORCID website. The top screenshot displays the user's profile page for Lenka Kuchariková. The 'Biography' section is expanded to show 'Employment (1)'. A red arrow points to the 'Employment (1)' dropdown menu. Another red arrow points to the 'Edit my version' button next to the employment entry. The employment entry shows 'University of Žilina: Žilina, SK' with a start date of '2008-09-01 to present' and a role of 'Ph.D. (Department of Materials Engineering, Faculty of Mechanical Engineering)'. Below this, the 'Education and qualifications (1)' section is also visible. The bottom screenshot shows the 'EDIT EMPLOYMENT' form. A red arrow points to the 'Display organization*' field, which contains 'University of Žilina'. Another red arrow points to the 'Save Changes' button. A third red arrow points to the 'Set visibility' options, which are currently set to 'Public'. The form also includes fields for 'Department', 'Role/title', 'URL', 'Start date', and 'End date'.
